

Regional forums postponed

There has been a delay in finalising the Fresh Start service specifications. Until these are complete we are unable to finalise the details around the various initiatives. We have therefore decided to postpone the regional forums which were due to take place later this week and early next week.

We apologise for the short notice about this decision. We hope to be able to give you details of the rescheduled forums before Christmas, which we anticipate will take place late January.

In the meantime, if you have any questions, please contact the project team on freshstart@cyf.govt.nz, or Bernadine MacKenzie, who is leading the Fresh Start for Young Offenders project.
